2. BASIS OF CONTRACT

2.1 These Conditions apply to the Contract to the exclusion of any other terms that the Customer seeks to impose or incorporate, or which are implied by trade, custom, practice or course of dealing.

2.2 The Order constitutes an offer by the Customer to purchase the Goods in accordance with these Conditions. The Customer is responsible for ensuring that the terms of the Order and any applicable Specifications are complete and accurate.

2.3 The Order shall only be deemed to be accepted when the Supplier issues a written acceptance of the Order (by way of invoice number), at which point the Contract shall come into existence.

2.4 The Customer waives any right it might otherwise have to rely on any term endorsed upon, delivered with or contained in any documents of the Customer that is inconsistent with these Conditions.

2.5 Any descriptive matter or advertising produced by the Supplier and any descriptions or illustrations contained in the Supplier's catalogues, brochures or websites are produced for the sole purpose of giving an approximate idea of the Goods referred to in them. They shall not form part of the Contract nor have any contractual force.

2.6 A quotation for the Goods given by the Supplier shall not constitute an offer. A quotation shall only be valid for a period of 20 Business Days from its date of issue.

3. GOODS

3.1 Standard Goods are as described on the website (gimsonrobotics.co.uk), however where the Customer has requested Goods made to a Specification (including all items not listed and described on the website), the description will be that as set out on the Customer's purchase order and on the Supplier's invoice.

3.2 To the extent that the Goods are to be manufactured or supplied in accordance with a Specification supplied by the Customer, the Customer shall indemnify the Supplier against all liabilities, costs, expenses, damages and losses (including any direct, indirect or consequential losses, loss of profit, loss of reputation and all interest, penalties and legal and other reasonable professional costs and expenses) suffered or incurred by the Supplier in connection with any claim made against the Supplier for actual or alleged infringement of a third party's intellectual property rights arising out of or in connection with the Supplier's use of the Specification. This Clause 3.2 shall survive termination of the Contract.

3.2 The Supplier reserves the right to amend the Goods and any Specification if required by any applicable statutory or regulatory requirements.

3.3 It is the Customer's sole responsibility to ensure the suitability of the Goods for their intended use and for any product that requires installation, the Supplier strongly recommends that installation only be undertaken by someone with sufficient expertise.

3.4 The Customer confirms that the Goods are being purchased for use in the United Kingdom. If the Goods are to be used outside of the UK, it is the Customer's responsibility to read the full product information on the Supplier's website to ensure that it is compatible with the local power supply and other location-specific hardware in the location it is to be used.

3.5 Our products are not intended for use in safety-critical applications. We strongly discourage use in such applications and no liability will be assumed for the consequences of their failure in such uses. Further to this, our products should specifically not be used in any way that would affect the operation or control of motor vehicles, rail, aircraft or sea vessels.

4. DELIVERY

4.1 The Supplier shall ensure that each delivery of the Goods is accompanied by a delivery note that shows the date of the Order, the purchase order number or any reference numbers, the type and quantity of the Goods, special storage instructions (if any) and, if the Goods are being delivered by instalments, the outstanding balance of Goods remaining to be delivered.

4.2 The Supplier shall deliver the Goods to the location set out in the Order or such other location as the parties may agree (Delivery Location) at any time after the Supplier notifies the Customer that the Goods are ready.

4.3 Delivery is completed on delivery of the Goods at the Delivery Location.

4.4 The approximate dates for delivery will be stated on the Order and the time of delivery is not of the essence. The Supplier shall not be liable for any delay in delivery of the Goods that is caused by a Force Majeure Event or the Customer's failure to provide the Supplier with adequate delivery instructions or any other instructions that are relevant to the supply of the Goods.

4.5 If the Supplier fails to deliver the Goods, its liability shall be limited to a refund of the Goods and the Supplier shall have no further liability for any losses suffered by the Customer over and above the refund. The Supplier shall have no liability for any failure to deliver the Goods to the extent that such failure is caused by a Force Majeure Event or the Customer's failure to provide the Supplier with adequate delivery instructions or any other instructions that are relevant to the supply of the Goods.

4.6 If the Customer fails to take or accept delivery of the Goods within six Business Days of the Supplier notifying the Customer that the Goods are ready for delivery, then, except where such failure or delay is caused by a Force Majeure Event or the Supplier's failure to comply with its obligations under the Contract:

- (a) delivery of the Goods shall be deemed to have been completed at 9.00 am on the sixth Business Day after the day on which the Supplier notified the Customer that the Goods were ready; and
- (b) the Supplier shall store the Goods until delivery takes place, and charge the Customer for all related costs and expenses (including insurance).

4.7 If the Customer fails to take or accept delivery within twenty Business Days after the day on which the Supplier notified the Customer that the Goods were ready for delivery, the Supplier will treat the contract at an end, and the Customer agrees to pay as liquidated damages, 80% of the total price of standard Goods ordered but not delivered, and 90% of the total price for Goods made to the Customer's Specifications, ordered but not delivered. The Supplier will have no obligation to the Customer to mitigate its losses as a result of the Customer failing to take or accept delivery of the Goods. The Customer shall pay these liquidated damages on demand or the Supplier may deduct them from any payment due to the Customer.

4.8 The Supplier may deliver the Goods by instalments. Any delay in delivery or defect in an instalment shall not entitle the Customer to cancel any other instalment.

5. QUALITY

5.1 The Supplier warrants that on delivery and for a period of 18 months from the date of delivery (Supplier's standard warranty period) the Goods shall meet with their description, be of satisfactory quality and fit for their general purpose.

5.2 Subject to Clause 5.3, if:

- (a) the Customer gives notice in writing to the Supplier during the warranty period within a reasonable time of discovery that some or all of the Goods do not comply with the warranty set out in Clause 5.1; and
- (b) the Supplier is given a reasonable opportunity of examining such Goods; and
- (c) the Customer (if asked to do so by the Supplier) returns such Goods to the Supplier at the Supplier's cost,

The supplier shall, at its option, replace the defective product, or refund the price of the defective product in full.

5.3 The Supplier will not be liable for the Goods' failure to comply with the warranty in Clause 5.1 in any of the following events:

- (a) the Customer makes any further use of such product after giving a notice in accordance with Clause 5.2(a);
- (b) the defect arises because the Customer failed to follow the Supplier's oral or written instructions as to the storage, installation, commissioning, use or maintenance of the Goods or (if there are none) good trade practice;
- (c) the Customer alters or repairs such Goods without the written consent of the Supplier;
- (d) the defect arises as a result of fair wear and tear, wilful damage, negligence, or abnormal storage or working conditions; or
- (e) the Goods differ from their description as a result of changes made to ensure they comply with applicable statutory or regulatory requirements.
- (f) the goods or supplied products are made-to-order (described as 'bespoke' or 'custom') and the failure is due to an unforeseen property of components used. The longevity of bespoke supplies cannot be assured without long term testing and so unless otherwise assured in the invoice the warranty period does not cover such product supplies.

5.4 Except as provided in this Clause 5, the Supplier shall have no liability to the Customer in respect of the Goods' failure to comply with the warranty set out in Clause 5.1.

5.5 The terms implied by sections 13 to 15 of the Sale of Goods Act 1979 are, to the fullest extent permitted by law, excluded from the Contract.

5.6 These Conditions shall apply to any repaired or replacement Goods supplied by the Supplier.

6. TITLE AND RISK

6.1 Risk in Goods shall pass to the Customer on Delivery.

6.2 Title to Goods shall not pass to the Customer until the Supplier receives payment in full (in cash or cleared funds) for the Goods.

6.3 Until title to Goods has passed to the Customer, the Customer shall:

- (a) store those Goods separately from all other goods held by the Customer so that they remain readily identifiable as the Supplier's property;
- (b) not remove, deface or obscure any identifying mark or packaging on or relating to those Goods; and
- (c) maintain those Goods in satisfactory condition and keep them insured on the Supplier's behalf for their full price against all risks with an insurer that is reasonably acceptable to the Supplier.

6.4 Subject to Clause 6.5, the Customer may resell or use the Goods in the ordinary course of its business (but not otherwise) before the Supplier receives payment for the Products. However, if the Customer resells (or uses) before that time:

- (a) it does so as principal and not as the Supplier's agent; and
- (b) title to those Products shall pass from the Supplier to the Customer immediately before the time at which resale by the Customer occurs.

6.5 If before title to Goods passes to the Customer the Customer becomes subject to any of the events listed in Clause 8(b) to 8(d) 21.2(d) inclusive, then, without limiting any other right or remedy the Supplier may have:

- (a) the Customer's right to resell Goods or use them in the ordinary course of its business ceases immediately; and
- (b) the Supplier may at any time:
 - (i) require the Customer to deliver up all Goods in its possession that have not been resold, or irrevocably incorporated into another product; and
 - (ii) if the Customer fails to do so promptly, enter any premises of the Customer or of any third party where the relevant Goods are stored to recover them.

7. PRICE AND PAYMENT

7.1 The price of the Goods, the amount of payment due, and the date for payment shall be the price set out in the Order

7.2 The Supplier may, by giving notice to the Customer at any time up to 10 Business Days before delivery, increase the price of the Goods to reflect any increase in the cost of the Goods that is due to:

- (a) any factor beyond the Supplier's control (including foreign exchange fluctuations, increases in taxes and duties, and increases in labour, materials and other manufacturing costs);
- (b) any request by the Customer to change the delivery date(s), quantities or types of Goods ordered; or

(c) any delay caused by any instructions of the Customer or failure of the Customer to give the Supplier adequate or accurate information or instructions.

7.3 The price of the Goods:

(a) excludes amounts in respect of value added tax (VAT), which the Customer shall additionally be liable to pay to the Supplier at the prevailing rate, subject to the receipt of a valid VAT invoice; and

(b) excludes the costs and charges of packaging, insurance and transport of the Goods, which shall be invoiced to the Customer.

7.4 The Supplier will invoice the Customer for the Goods as set out on the purchase order.

7.5 The Customer shall pay the invoice in full and in cleared funds within (i) the dates set out in the purchase order, or (ii) where none was specified on the purchase order, within 35 days of the date the invoice was dated. Payment shall be made to the bank account nominated in writing by the Supplier. Time for payment is of the essence.

7.6 If the Customer fails to make any payment due to the Supplier under the Contract by the due date for payment, then the Customer shall pay interest on the overdue amount at the rate of 9% per annum above Lloyds Bank's base rate from time to time. Such interest shall accrue on a daily basis from the due date until actual payment of the overdue amount, whether before or after judgment. The Customer shall pay the interest together with the overdue amount.

7.7 The Customer shall pay all amounts due under the Contract in full without any set-off, counterclaim, deduction or withholding (except for any deduction or withholding required by law). The Supplier may at any time, without limiting any other rights or remedies it may have, set off any amount owing to it by the Customer against any amount payable by the Supplier to the Customer.

8. TERMINATION

8.1 Without limiting its other rights or remedies, the Supplier may terminate this Contract with immediate effect by giving written notice to the Customer if:

(a) the Customer commits a material breach of any term of the Contract and (if such a breach is remediable) fails to remedy that breach within 10 days of that party being notified in writing to do so;

(b) the Customer takes any step or action in connection with its entering administration, provisional liquidation or any composition or arrangement with its creditors (other than in relation to a solvent restructuring), being wound up (whether voluntarily or by order of the court, unless for the purpose of a solvent restructuring), having a receiver appointed to any of its assets or ceasing to carry on business or, if the step or action is taken in another jurisdiction, in connection with any analogous procedure in the relevant jurisdiction;

(c) the Customer suspends, threatens to suspend, ceases or threatens to cease to carry on all or a substantial part of its business; or

(d) the Customer's financial position deteriorates to such an extent that in the Supplier's opinion the Customer's capability to adequately fulfil its obligations under the Contract has been placed in jeopardy.

8.2 Without limiting its other rights or remedies, the Supplier may suspend provision of the Goods under the Contract or any other contract between the Customer and the Supplier if the Customer becomes subject to any of the events listed in Clause 8.1(a) to Clause 8.1(d), or the Supplier reasonably believes that the Customer is about to become subject to any of them, or if the Customer fails to pay any amount due under this Contract on the due date for payment.

8.3 Without limiting its other rights or remedies, the Supplier may terminate the Contract with immediate effect by giving written notice to the Customer if the Customer fails to pay any amount due under the Contract on the due date for payment.

8.4 On termination of the Contract for any reason the Customer shall immediately pay to the Supplier all of the Supplier's outstanding unpaid invoices and interest.

8.5 Termination of the Contract shall not affect any of the parties' rights and remedies that have accrued as at termination, including the right to claim damages in respect of any breach of this Contract that existed at or before the date of termination.

8.6 Any provision of the Contract that expressly or by implication is intended to come into or continue in force on or after termination shall remain in full force and effect.

9. LIMITATION OF LIABILITY

9.1 Nothing in these Conditions shall limit or exclude the Supplier's liability for:

10. FORCE MAJEURE

No single or partial exercise of such right or remedy shall prevent or restrict the further exercise of that or any other right or remedy.

11.6 Severance. If any provision or part-provision of the Contract is or becomes invalid, illegal or unenforceable, it shall be deemed modified to the minimum extent necessary to make it valid, legal and enforceable.
